## The Georgia Loud Vehicles Task Force

### The Problem

- **Excessive disregard for noise** emanating from vehicles loud exhaust systems.
- Drivers intentional disregard of traffic laws, noise ordinances, etc. disrupting everyone's quality of life
- Note: Studies have proven excessive noise exceeding certain decibels can be harmful.

### Loud Vehicle Noise Can Cause Serious Harm

### States Which Have Laws Addressing Loud Vehicle Noise

|             |            |              |              |
|-------------|------------|--------------|--------------|
| • Louisiana | • Texas    | • Tennessee  | • California |
| • Florida   | • New York | • New Mexico | • ..... more |

### The Goal

Have the Georgia State legislature pass a bill allowing (not mandating) noise detection technology to be used in Georgia.

### The Solution

Allow local jurisdictions to take necessary measures to address loud vehicle noise!
